

ACCOUNTING & FINANCE

INTERNSHIP OVERVIEW

Precision Planting is passionate about using science and technology to improve agriculture. The Precision Planting team develops innovative products that improve the lives of growers and make agriculture more sustainable, efficient, and profitable. A Precision Planting Accounting Intern will receive hands-on experience performing the same tasks as our entry level accountants. This paid internship will focus on financial and cost accounting along with other special projects. We aim high and work hard, but you will have fun and have the opportunity to grow.

Responsibilities:

- The primary purpose of this position is to provide proactive assistance to the Precision Planting's Accounting department and its related functions.
- The candidate will engage in various projects and responsibilities that help enable and improve Precision Planting's ongoing financial processes.
- This position provides the opportunity to work individually and as part of a team in the weekly and monthly operational and financial processes across the business.
- This position will have the opportunity to gain visibility and insight into a variety of financial areas across the organization and may provide project experience in several finance functions including: financial accounting, cost accounting, and sales & marketing.

Required Skills/Experience:

- Pursuing a B.A./B.S. in Accounting or Finance from a four-year college or university
- Cumulative GPA of at least 3.0/4.0
- Ability to use the following software applications: Word, Excel, PowerPoint, Outlook, and other applications.
- Ability to effectively communicate with financial and non-financial personnel utilizing written and verbal skills, including presentations to small and large groups.
- Ability to learn new technology.
- Personal Transportation & willingness to relocate to the Peoria, IL area.

Desired Skills/Experience:

- Experience managing projects from conception through implementation.
- Experience with team leadership and teamwork, especially outside the classroom
- Interest in agriculture
